BUG 1 – Broken Link in Notice Section

Steps

1. Open the AKTU official website.
2. Navigate to the **Notices** section.
3. Click on a notice/PDF link.
4. Wait for the page to load.

Expected Result

The selected notice should open successfully or the PDF should download without any error.

Actual Result

The selected link opens a **404 - Page Not Found** error instead of the required document.

Impact

Users are unable to access important university notices and official documents.

BUG 2 – Responsive UI Issue in Mobile View

Steps

1. Open the AKTU website.
2. Open Chrome Developer Tools (F12).
3. Switch to any mobile device (e.g., iPhone 12 or Galaxy S21).
4. Refresh the page.
5. Observe the homepage layout.

Expected Result

The homepage should display properly with all menu items, icons, and content aligned correctly.

Actual Result

Some UI elements overlap with each other, and text/icons are not properly aligned in mobile view.

Impact

Poor user experience while browsing the website on mobile devices.

BUG 3 – Search Functionality Not Returning Relevant Results

Steps

1. Open the AKTU website.
2. Locate the search box.
3. Enter a valid keyword related to notices or examinations.
4. Click the Search button.

Expected Result

Relevant search results matching the entered keyword should be displayed.

Actual Result

The search either returns "**No Results Found**" or fails to display the expected records.

Impact

Users cannot quickly find the required information.

BUG 4 – Homepage Banner Image Loading Issue

Steps

1. Open the AKTU website.
2. Wait for the homepage banner to load.
3. Observe the rotating banner images.

Expected Result

All banner images should load properly without delay.

Actual Result

Some banner images fail to load correctly or display a blank/placeholder area before loading.

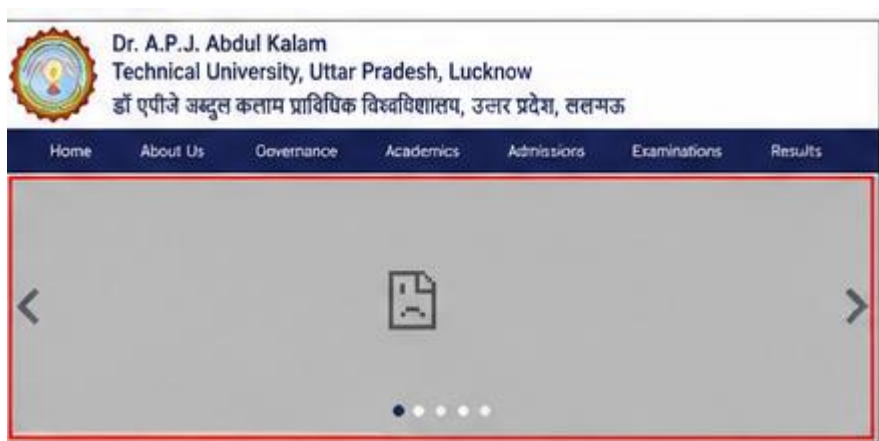

Impact

Homepage appearance becomes unprofessional and affects the user experience.

The PDF fails to open and displays an error such as "Unable to Open PDF" or the file does not load.

Impact

Users cannot access important circulars, notices, or examination-related documents.

BUG 5 – PDF Download/Open Failure

Steps

1. Open the AKTU website.
2. Navigate to the **Circulars** or **Examination Notices** section.
3. Click on any available PDF document.
4. Wait for the document to open.

Expected Result

The selected PDF should open successfully or download without any issue.

Actual Result

The PDF fails to open and displays an error such as "**Unable to Open PDF**" or the file does not load.

Impact

Users cannot access important circulars, notices, or examination-related documents.
